## EDUCATION & TRAINING

Carnegie Mellon University (BFA Drama - Technical Direction; Minor in Soft Technologies) Expected May 2027  
Palo Alto High School 2019 - 2023  
TAIT Intro to Navigator Training Winter 2025

## PRODUCTION EXPERIENCE

Detailer/Budgeter | Carnegie Scenic Studios 2025 - 2026  
Produced technical drawings of scenic elements and assisted with the estimation and budgeting of scenic materials and labor for productions at Carnegie Mellon University.

Job Lead | *Ajax* (Carnegie Mellon University) Fall 2025  
Led fabrication of textile scenery during the build process, and led show installation and strike. Responsible for managing a crew of student carpenters and run crew.

Automation Intern | The Munny Summer 2025  
Automation Intern for the 2025 production season. Job duties included building both automated and standard scenic units, assisting on automation run crews, developing fundamental TAIT Navigator programming skills, and shadowing the integration of automation into the production process.

Carpenter/Fabricator | Carnegie Scenic Studios 2024 - 2025  
Assisted with the construction, load-in, and strike of shows for productions at Carnegie Mellon University.

Master Carpenter | San Francisco Shakespeare Festival Summer 2024  
Master Carpenter for the 2024 production season. Job duties included assisting with scenic construction and painting, as well as assisting with load-in, strike, and transport to multiple performance locations throughout the California Bay Area.

## SPECIAL EVENTS

Lead Crafts Fabricator | Playground 23 Winter 2025  
Led detailing and fabrication of acrylic lightboxes and furniture for a themed lobby exhibition.

Designer/Fabricator | Tender Roots (An Inflatables Exhibition) Spring 2025  
Designed and constructed an architectural-scale inflatable with a team of three as a part of an end-of-semester exhibition.

## ADDITIONAL LEADERSHIP EXPERIENCE

AutoCAD Teaching Assistant | Carnegie Mellon University 2025 - 2026  
T.A. for freshman Drama Design & Production AutoCAD class. Assists students with in-class questions, homework assignments, and test prep for a semester-long 2D CAD drafting class.

EMT, Operations Officer | Carnegie Mellon University Emergency Medical Service 2023 - Present  
Over 1,000 hours of volunteer experience as a PA EMT/NREMT, servicing the Carnegie Mellon University Campus. Duties as operations officer include the budgeting, purchasing, and maintenance of medical supplies and emergency equipment.
